BUILDING THE KINGDOM's INDUSTRIAL LEGACY

Since the inception of Al Yamama Advanced Industrial Services Company, our vision has been clear and our mission resolute: to be a trusted partner in building a robust industrial future for the Kingdom of Saudi Arabia, grounded in quality, safety, and efficiency.

We began with a deep belief in the critical role of specialized industrial services to support vital sectors such as oil & gas, energy, petrochemicals, infrastructure, and water. Today, by the grace of Allah and the dedicated efforts of our talented national and professional workforce, we proudly stand as a model of excellence, delivering integrated industrial solutions that meet the highest global standards.

We firmly believe that success is no accident; it is the result of meticulous planning, unwavering commitment, and continuous teamwork. Accordingly, we operate under an ambitious strategy aligned with Vision 2030, aiming to contribute effectively to national development, increase Saudization, and empower a generation capable of leading the industrial future with competence and distinction.

We take pride in our achievements and look forward to broader horizons of excellence, with the safety of our employees, the quality of our services, and our dedication to our partners as the pillars upon which we build our journey.

Abdul Hakim Al Ammar Al Khaldi
Chairman of Al Yamama Advanced Industrial Services Company

ALYAMAMA ADVANCED
INDUSTRIAL SERVICES COMPANY

ABOUT AL YAMAMA ADVANCED

Al Yamama Advanced Industrial Services Company (YAIS) is a proud member of Al Yamama Group for Trading & Contracting, a business conglomerate with a rich legacy of over 73 years since its establishment in 1952. Al Yamama Group is one of the Kingdom's most prominent organizations, renowned for delivering world-class, integrated solutions across vital sectors including oil & gas, petrochemicals, energy, water & power, mining & minerals, roads & infrastructure.

As part of this prestigious group, Al Yamama Advanced Industrial Services Company leads in the industrial sector with its optimal turnkey solutions for operations, maintenance, shutdowns, construction, human resources, and manufacturing leveraging advanced technologies to support the Kingdom's vision and industrial growth.

WHAT SETS US APART

- Extensive industry experience
- Commitment to safety
- Skilled and trained workforce
- Use of advanced technology
- Customer-focused solutions
- Comprehensive industrial services
- Support for local talent development

ALYAMAMA ADVANCED
INDUSTRIAL SERVICES COMPANY

VISION

To be the trusted partner for the industry with advance approach to contribute to renaissance of the Saudi Arabia.

MISSION

To consistently lead across all business sectors by executing projects with uncompromising quality, operational efficiency, and a commitment to exceeding client expectations.

GOAL

To deliver safe, reliable, and high-quality industrial services that exceed client expectations, support national growth, and build long-term partnerships through operational excellence and continuous improvement.

SAFETY

Safety is considered as a value at AL Yamama Advanced Industrial Services Company (YAIS). This is also acknowledged by our valuable clients and Al Yamama have been awarded several Safety Awards as well.

QUALITY

Quality is everyone's business. Meeting Quality objectives through continuous improvement and lessons learned from challenges.

LEARNING & GROWTH

We pursue with passion the development of our people and the continual improvement of our operations.

TEAMWORK & COMMITMENT

We find greater strength in collaborating as one team to achieve our common goals.

ALYAMAMA ADVANCED

- Hydro Jetting
- Refurbishment of Tanks, Vessels & Columns
- Field Instrument Calibration
- Preventive & Corrective Maintenance

E&I SERVICES

We specialize in delivering Electrical & Instrumentation (E&I) Construction Services alongside complete E&I solutions tailored for both industrial and commercial projects.

Our Capabilities cover

- Electrical & Instrumentation Construction and Installation
- Piping System Fabrication & Installation
- Equipment Installation & Commissioning
- HVAC, Plumbing & Fire Protection Systems
- Insulation & Lagging Installation
- Mechanical Systems Testing & Commissioning
- Maintenance & Repair of Existing Systems

ALYAMAMA ADVANCED
INDUSTRIAL SERVICES COMPANY

MAIN AREAS OF EXECUTION

Electrical Systems Installation

- Installation of electrical distribution systems (Switchgear, transformers, panel boards)
- Installation of electrical power & control cables
- Installation of electrical equipment (Motors, generators, lighting systems)

Instrumentation Systems Installation

- Installation of process control & safety systems
- Installation of instrumentation devices (Sensors, transmitters, controllers)
- Installation of cabling & wiring for instrumentation systems
- Testing & commissioning of instrumentation systems

DELIVERING WITH EXCELLENCE

We deliver comprehensive Electrical & Instrumentation Construction services for industrial and commercial projects.

Our team is dedicated to

- High-quality execution
- On-time delivery
- Budget compliance
- Safety-focused operations

ALYAMAMA ADVANCED
INDUSTRIAL SERVICES COMPANY

INSTRUMENT CALIBRATION SOLUTIONS

We are offering Field instrument Calibration Services. Our company provides comprehensive Calibration Services to ensure the accuracy and reliability of measurement and control instruments for our clients includes: Petrochemical Companies, Fertilizer Companies, Refineries, Power Generation, Laboratories units etc.. Our goal is to provide our clients with accurate and reliable calibration services that meet their unique needs and requirements. We strive to deliver high-quality services that ensure the accuracy and reliability of our clients' instruments

Key Services

- Calibration of process instruments
- Calibration of laboratory instruments
- Calibration of electrical and mechanical instruments
- On-site and laboratory calibration services
- Temperature sensors and transmitters
- Pressure sensors and transmitters
- Flow meters and transmitters
- Level sensors and transmitters
- Micrometers
- Calipers
- Dial indicators
- Pressure gauges
- Spectrophotometers
- Chromatographs
- Balances and scales
- pH meters and conductivity meters

ALYAMAMA ADVANCED

CIVIL CONSTRUCTION SERVICES

Comprehensive Civil Solutions for Industrial Projects.

Core Construction Activities

- Excavation and grading
- Concrete Works
- Foundation work
- Structural concrete
- Pipe Rack
- Warehouse
- Flatwork
- Restoration and repair
- Steel Fabrication and Erection
- Structural steel

OUR COMMITMENT TO EVERY PROJECT

We deliver high-quality civil construction services tailored to each project's needs.

Our team ensures

- Safe Execution
- On-Time Completion
- Budget Control
- Durable & Reliable Construction

ALYAMAMA ADVANCED
INDUSTRIAL SERVICES COMPANY

HUMAN RESOURCE & MANPOWER SUPPLY

Our company provides competent and technically qualified workers tailored to client requirements in various sectors, including:

We Offer

With over a decade of experience, we specialize in both short-term and long-term manpower supply, offering rapid response to client demands and the capability to launch international recruitment campaigns for sourcing specialized talent.

Available Resources

- Active Clients for Resource Management
- Short-Term
- Long-Term
- Supplementary Manpower Program - SMP

Our Services Include

- Short-Term Resource Supply
- Turnaround Human Resources
- Emergency Shutdown Support
- Long-Term Resource Deployment
- Supplementary Manpower Supply (SMP)

Serving Sectors

- Petrochemical
- Mining
- Fertilizer
- Refinery
- Water & Power Companies
- Hospitality & IT

ALYAMAMA ADVANCED
INDUSTRIAL SERVICES COMPANY

SITE FACILITY MANAGEMENT

Prefab Portable Cabins

We supply prefabricated portable cabins in a wide range of designs, from standard fire-rated units to UL-listed models. Built for functionality, durability, and versatility, our cabins serve diverse industry needs. Available configurations include offices, mess halls, mosques, kitchens, sanitation and ablution units, resting shelters, and private residential cabins.

Ablution Containers

YAIS Ablution Containers, available in 40-foot and 20-foot sizes, designed to meet the highest hygiene and safety standards. Equipped with large-capacity septic tanks ranging from 5,000 to 10,000 liters, these units ensure long-lasting and efficient waste management. Each container features fire-rated doors, advanced fire alarm systems, and smoke detectors for maximum safety.

Mess Halls & Kitchens

Transform any location into a fully functional dining space with the AL YAMAMA ADVANCED Portable Container Mess Hall - Flat Pack Open. Engineered for rapid assembly and easy transport, this innovative solution is perfect for remote sites, events, and temporary facilities.

Site Facility Office Containers

Capacity for supplying various sizes of office containers to the Oil & Gas, Petrochemical, Construction projects offering flexible workspace solutions equipped with modern firefighting equipment and alarm alarm systems. Ready for demanding environments, designed to withstand extreme weather our units are fully insulated and sealed. Available in 20 ft & 40 ft sizes.

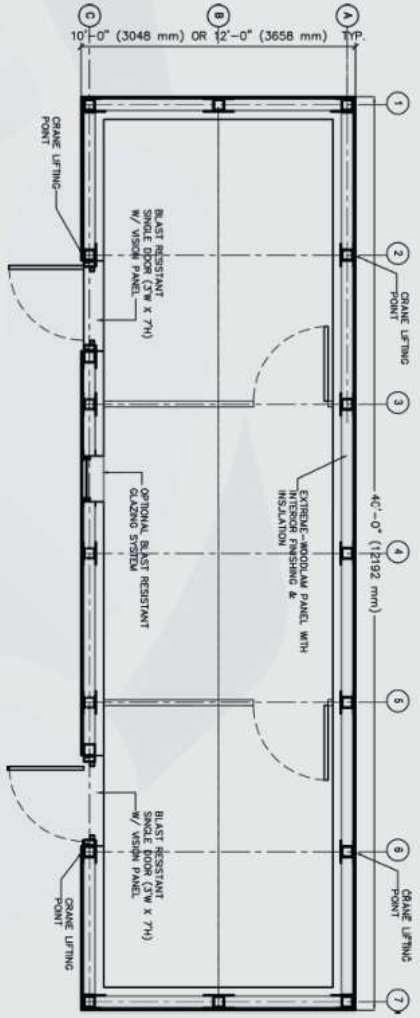

ALYAMAMA ADVANCED
INDUSTRIAL SERVICES COMPANY

BLAST RESISTANT MODULES - *MANUFACTURING, SALES & LEASE*

We Al Yamama Advanced Industrial Services Company (YAIS) together with Our Technology Partner SPS Modular LLC are in pursuit to provide the best Safety Solutions to our valuable clients across Saudi Arabia. Our Product of Blast Resistance Modules (Blast rating: 5 psi 10 psi at 200 MS) are field tested and certified for the safe operation. Al Yamama Has become among the leaders started Manufacturing the Blast Resistant Modules within Saudi Arabia to enhance Localization. Our blast-resistant modules adhere to API RP 753. Our modules meet the criteria for medium response rating (Low or medium damage) by the American Society of Civil Engineers to provide proven protection. Currently we have Started the Manufacturing for the 5 & 10 PSI BRMs, however as a manufacturer we can design customized as well addressing the unique customer requirement. Our Product is incompliance with Oil & Gas and Petrochemical requirements.

ALYAMAMA ADVANCED
INDUSTRIAL SERVICES COMPANY

INDUSTRIAL WASTE MANAGEMENT SERVICES

Our company provides comprehensive waste management services to help our clients manage and dispose of waste in a responsible and sustainable manner. Our goal is to provide our clients with high-quality waste management services that meet their unique needs and requirements. We strive to deliver sustainable and environmentally responsible Waste Management Solutions that minimize waste and promote recycling.

Our Scope of Work Includes

- Waste collection
- Waste Transportation
- Waste disposal
- Non-Hazardous waste management
- Waste sorting and segregation

ALYAMAMA ADVANCED
INDUSTRIAL SERVICES COMPANY

LOGISTIC AND EQUIPMENT RENTAL

We provide reliable logistic and equipment rental services to support industrial and construction projects.

Our Logistics & Rental Solutions

- Heavy machinery: cranes, excavators, bulldozers
- Construction tools: generators, compressors, pumps
- Material handling: forklifts, pallet jacks, telehandlers
- Specialty equipment: welding machines, concrete mixers
- Equipment delivery & transportation
- Warehousing & storage
- Testing & commissioning of instruments
